

WATER CONSERVATION INCENTIVES

Saving water is easy with the conservation incentives and programs available to residents and business owners – as well as property owners/managers – who are City of Sunrise Utilities Department customers.

Don't flush away savings: Apply for a \$100 toilet rebate

While supplies last, Sunrise residents may receive rebates of up to \$100 per toilet (\$200 per household) for replacing old, inefficient toilets with WaterSense®-certified, high-efficiency toilets. Commercial, institutional, and multi-family buildings may be eligible for five rebates, with the option to request more. You must apply for a rebate before you purchase a new toilet! For more information, visit www.conservationpays.com, call (800) 270-9794, or email conservationpays@broward.org.

Go low flow with free faucet aerators and showerheads (and spray valves) Low-flow faucet aerators and showerheads can help reduce your water bill and your water heating costs. Best of all, they're available free to Sunrise water utility customers at the City of Sunrise Utilities Administration Building (777 Sawgrass Corporate Parkway) from 9:00 a.m. to 5:00 p.m. on weekdays. Please bring your water bill and a photo ID that shows your address. For more information, call (954) 888-6000.

Restaurant owners: Sunrise Utilities is offering free low-flow pre-rinse spray valves so you can get in on the savings, too. Call (954) 888-6000 for more information.
